October 2026

To: All registered patients of Lliswerry Medical Centre, residing at this address

Dear Patient,

I previously wrote to you in February 2026, advising that Lliswerry Medical Centre was to become directly managed by Aneurin Bevan University Health Board as of 1 April 2026, whilst the Health Board considered all the options available for the ongoing delivery of GP services.

I am pleased to confirm that, following a successful procurement process, General Medical Services (GMS) will be delivered from Lliswerry Medical Centre by Dr Morgan and Partners, from 1 January 2027. The local partnership is well established, with six GPs, who also hold the GMS contract for Ringland Medical Practice, also in Newport, as well as one GMS contract within the neighbouring Cardiff and Vale University Health Board area.

There will be no change to where and how you access your GP care. Please be assured that you do not need to do anything as you will remain registered with Lliswerry Medical Centre under Dr Morgan and Partners.

Over the next few months, the Health Board will continue to work alongside the existing staff at Lliswerry Medical Centre, and Dr Morgan and Partners, to ensure a smooth transition for staff and patients.

If you have any concerns regarding this matter, please do not hesitate to contact a member of the Health Board's Primary Care Contracting Team on 01495 241254/241246. However, please review the attached FAQ document which may answer some questions that you may have.

Yours sincerely,

Lloyd Hambridge
Divisional Director
Primary Care, Community Services, and Complex and Long-Term Care
