

Hickies Laces

If your shoes have laces, then you can use the HICKIES lacing system. Whether they have traditional eyelets or loops, there's an installation for you. Go on to the website for videos to show you step by step how to fit them into your shoes and how to adjust them. Once they are fitted there are no laces to unfasten or unfasten. These come in a variety of colours, you can even mix and match.
