Nail Care

Easi-Grip Long Reach Toenail Cutter

The extended reach reduces the need for bending whilst the contoured handle with “soft-feel” finger contact areas gives comfort and control of the cutting action. The hygienic stainless steel blade is slightly serrated to grip the nail and angled to keep the wrist in a natural position.

Easi-Grip Tabletop Nail Cutter

This Table Top Nail Clipper has been designed to assist those with limited hand functionality to cut finger nails. Mounted on a plastic base with non-slip feet for stability the nail clipper also benefits from a wide moulded pad with “soft-feel” finish.

Mini Easi-Grip Scissors

The Mini Easi-Grip® Scissors, are ultra-light weight self-opening scissors. Designed for use by those with weak hands or wrists or who are unable to use conventional style scissors.

Easi-Grip Nailcare Set

This Easi-Grip® Nailcare Set consists of one Long Reach Toenail Cutter, one Tabletop Nail Clipper and one Mini Easi-Grip® Scissor. A helpful solution for independent nailcare for anyone with weak grip or simply those who like life to be made a little easier.

Peta Nail Plier

Strong, straight edged nail clipper to cleanly cut tough toenails. The rounded knurled handles will sit comfortably in the hand to give good leverage for the cutting action. There is a spring to reopen the clipper after each cut.
