Stabilo Easy Ergo Pencils

The shape of the STABILO EASYergo 3.15 mechanical pencil is adapted to the anatomical conditions of the child's small hand and provides support. The extra-thick 3.15 mm lead is particularly robust and perfect for learning to write.

The ergonomic mechanical pencil STABILO EASYergo 3.15 in blue design for right-handers. Ergonomic mechanical pencil for learning to write in special versions for left- and right-handers. Grip zone made of non-slip material. Recessed grips provide support and prevent hand fatigue
