Diweddariad am y brechlyn Vaccination Update

Cylchlythyr Wythnosol **Weekly Newsletter** 13th September 2021 Issue 35

We're delighted to announce that 75% of Health Board 16- and 17-year-olds and 80% of 18 – 29-year-olds, have had their first dose of the Covid-19 vaccine.

A huge thank you to the young people across Gwent, from all staff at Aneurin Bevan University Health Board, for taking the opportunity to have their Covid-19 vaccine.

Covid-19 Vaccine for those aged 16 and above

Those aged 16 years and above, or it has been 8 weeks since your first dose, can now walk in to any of our vaccination clinics to receive your Covid-19 vaccination.

To find out where and when our upcoming clinics are, please visit: <https://abuhb.nhs.wales/coronavirus/covid-19-vaccine/not-vaccinated-yet/>

Call 0300 3031373 to book an appointment. It is not too late to receive your vaccination, if you are yet to take up the offer. Community rates are increasing, and the vaccine is the best way to protect yourself and those you love.

Young people turning 16 years old - We can confirm that as young people turn 16 years old, we will be contacting them to invite them for vaccination by letter.

Date of clinic	Time	Location	Address
15th September	10am-3pm	Nash College	Newport Campus Nash Road Newport NP19 4TS
17th September	10am-3pm	Crosskeys College	Risca Road, Crosskeys 7ZA
27 th September (Bus)	10am-3pm	Iron Works Car Park, Blaenavon	Iron Works Car Park, NP4 9RL
1 st October	9am-5pm	Ringland	282 Ringland Cir, Newport NP19 9PS
9 th October	10am-3pm	Abertillery Secondary School	Alma St, Abertillery NP13 1YL

Age 60 years and over

Group 6 (at risk)

Age 55-59 years

Age 50-54 years

Age 40-49 years

Age 30-39 years

Age 18-29 years

Age 16-17 years

Covid-19 Third Vaccine

We are awaiting the final JCVI guidance on who will be in scope for the booster programme. We are unable to advise on the date of when a booster programme will start as we are expecting the final JCVI guidance to advise on who should be offered a booster vaccine. As soon as final JCVI guidance is received we will issue communication.

In the meantime, we ask residents that they **do not contact** the Health Board to request an appointment, but we do ask that resident's details held with their GP Practice are up-to-date (including telephone numbers). Residents in scope for offer of a booster vaccine will be invited by letter for appointment and should wait for their appointment.

Pregnant Women receiving the Covid-19 Vaccine

Pregnant women, women who are trying to get pregnant and women who are breastfeeding are being encouraged to get their COVID-19 vaccinations. This is in line with JCVI guidance, which states that all pregnant women, women who are trying to get pregnant and women who are breastfeeding should be offered the COVID-19 vaccination, to protect themselves and their babies from the risks of COVID-19.

Most pregnant women who get COVID-19 are not seriously ill. However, there is a small risk of serious illness for mother and baby, such as needing intensive care admission and premature birth. These risks are higher later in pregnancy and in women who have underlying health conditions.

Call 0300 3031373 to book an appointment.
