Are you living with dementia?

Or do you care for someone with dementia?

Improvement Cymru have recently published the **National Dementia Standards** and a **Dementia Friendly Hospital Charter**, with an aim of improving dementia care across our country.

**Members of the Regional Dementia Board
will be available to answer questions.**

Have you been personally touched by dementia?

We'd like to work with you to help us improve dementia care and the experience of people living with dementia and their families.
