

The Bevan Health & Wellbeing Centre

ISSUE 06

Welcome to the sixth joint edition of The Bevan Health and Wellbeing Centre newsletter from Kier Construction Western and Wales, in partnership with Aneurin Bevan University Health Board (ABUHB).

The Bevan Health & Wellbeing Centre will be a state-of-the-art facility, designed to provide care closer to home and support the health and wellbeing of the local community. Originally planned to open November this year, due to unforeseen delays in the building work the centre will now open early 2024. While this delay is undoubtedly disappointing, Aneurin Bevan University Health Board has made every effort to ensure the quality of this fabulous new addition for the local community of Tredegar.

We want to thank the local community for their support and patience, and we look forward to welcoming you to The Bevan Health & Wellbeing Centre in 2024.

Project Update

Work at The Bevan Health and Wellbeing centre is progressing well into the final part of the new build works. Second fix for the mechanical and electrical systems is nearing completion as is installation of flooring, ceilings, internal doors and carpentry works. Externally the main south retaining wall has been constructed and the car park works have commenced. Fitted furniture and decorating are continuing through the building working towards finishing off the internal spaces.

Community Engagements

The Kier team have been busy welcoming visitors to the site including

community members of Tredegar. The team also welcomed Internationally acclaimed Welsh artist, Nathan Wyburn as he prepares to install his bespoke artwork into the new build.

Medical equipment donated to Ukraine

In readiness for the move, Tredegar Health Centre has gone above and beyond to help others. Unused office furniture has been donated to other teams and departments across the health board, lots of items have been donated to charity shops recycling centres and they have also been able to help the Welsh Aid for Ukraine (WAFU). Supporters of WAFU collected medical equipment and supplies, a consulting couch and a fridge which have been driven to Ukraine and used within 3 hours of the equipment arriving. The items have been used in hospitals and GP Practices to help with surgeries since the war started.

Health and Safety

"At Kier Construction Health and Safety is very important to us. We ensure that the construction site is secured with fencing and signage so that no unauthorised persons can enter. The safety of all staff, visitors and members of the public is our priority. The site has achieved a full suite of bronze, silver and Gold safety flags for hours worked accident free."

Croeso i'r pumed rhifyn o newyddlenni Canolfan Bevan ar y cyd gan Kier Construction Cymru a'r Gorllewin a Bwrdd Iechyd Prifysgol Aneurin Bevan (BIPAB).

Cyfleuster hollol fodern fydd Canolfan Iechyd a Lles Bevan, wedi ei dylunio i ddarparu gofal ym milltir sgwâr y gymuned a chynorthwyo eu hiechyd a'u lles. Y bwriad gwreiddiol oedd agor y cyfleuster ym mis Tachwedd eleni, ond oherwydd oedi annisgwyl gyda'r gwaith adeiladu, bydd yn agor yn gynnar yn 2024. Er bod yr oedi yma'n sicr o achosi siom, mae Bwrdd Iechyd Prifysgol Aneurin Bevan wedi gwneud pob ymdrech i sicrhau ansawdd yr ychwanegiad bendigedig yma at gymuned leol Tredegar.

Hoffem ddiolch i'r gymuned leol am eu cefnogaeth a'u hamynedd, ac edrychwn ymlaen at eich croesawu chi i Ganolfan Iechyd a Lles Bevan yn 2024.

Newyddion am y Prosiect

Mae gwaith ar y ganolfan Iechyd a Lles newydd yn Nhredegar yn dod yn ei flaen yn dda, ac mae cam olaf y gwaith o godi'r adeilad newydd wedi hen ddechrau. Mae'r ail gam o'r gwaith o osod y systemau mecanyddol a thrydanol yn dod at ei derfyn, ynghyd â'r gwaith o osod y lloriau, y nenfydau, y drysau mewnlol a'r gwaith coed. Y tu allan, mae'r prif fur cynhaliol deheuol wedi cael ei adeiladu, ac mae gwaith wedi dechrau ar y maes parcio. Mae'r gwaith addurno ac i osod celfi pwrpasol yn parhau ar draws yr adeilad, er mwyn cwblhau'r gofod agored.

I gadw i fyny â datblygiad y gwaith, digwyddiadau sydd ar y gwell a chyfleoedd i chwarae rhan, ewch i wefan Bwrdd Iechyd Prifysgol Aneurin Bevan yn

a'i dîm, a ddaeth i weld y gwaith yn datblygu ar garlam. Cafodd ei blesio'n fawr gan yr amrywiaeth fendigedig o wasanaethau a fydd ar gael i gymuned Tredegar cyn hir. Croesawodd y tîm yr artist Cymreig o fri Rhyngwladol, Nathan Wyburn, wrth iddo baratoi i osod ei waith celf arbennig yn yr adeilad newydd hefyd.

Medical equipment donated to Ukraine

Cyn bo hir, bydd Canolfan Iechyd Tredegar yn symud i'w cartref newydd yng Nghanolfan Iechyd a Lles Bevan. Yn rhan o'r broses ddatgomisiynu wrth baratoi ar gyfer y symud, mae Canolfan Iechyd Tredegar wedi mynd gam ymhellach i helpu eraill. Rhoddwyd y celfi swyddfa i dimau ac adrannau eraill ar draws y bwrdd Iechyd, cafodd llawer o eitemau eu cyflwyno i siopau elusen a chanolfannau ailgylchu, ac maent wedi gallu helpu Cymorth i Wcráin Cymru (WAFU) hefyd.

Ym mis Awst 2023, casglodd cefnogwyr WAFU eitemau o'r ganolfan Iechyd, gan gynnwys offer meddygol, cynnyrch meddygol, gwely meddygol ac oergell, ac mae'r rhain wedi cael eu cludo i Wcráin a'u rhoi ar waith cyn pen 3 awr ar ôl cyrraedd pen eu taith. Mae'r eitemau wedi cael eu defnyddio

Iechyd a Diogelwch

"Mae iechyd a diogelwch yn bwysig iawn i ni yn Kier Construction. Rydyn ni'n diogelu'r safle adeiladu gan ddefnyddio ffensys ac arwyddion fel na all neb ddod i mewn heb awdurdod. Diogelwch yr holl staff, ymwelwyr a'r cyhoedd yw ein blaenoriaeth bennaf. Mae'r safle wedi cyflawni'r baneri efydd, arian ac aur am nifer yr oriau gwaith heb ddamweiniau."
