

# PARTICIPANTS NEEDED

## Help us to improve diabetes care in Wales

Public Health Wales is running *Tackling Diabetes Together*, a programme to prevent diabetes and improve the health of people with diabetes.

Beaufort Research, an independent research company, are conducting a study of clinicians' experiences of diabetes care for Public Health Wales.

Tell us about your experiences of diabetes patients' self-management of their condition and interaction with support services.

### Further details

Take part in an interview lasting up to 60 minutes online

All information and answers you provide to Beaufort are **confidential**. Participation is voluntary.

Different dates available (February/March 2025).

Interviews can be in Welsh or English

### FOR MORE INFORMATION AND TO TAKE PART:
