<b>Grand Total</b>	<b>£ 93,221.68</b>

- Do you have any weighing devices integrated directly or indirectly to an electronic patient records system (EPR)?**

No

- Which electronic patient records system do you use/plan to use?**  
Clinical Workstation - CWS

- **If you haven't done so already, do you intend to integrate weighing scales to an EPR in the next 12-24 months?**

There are no plans to do this.

- **Do you use Welch Allen Vital signs monitors in the Trust, if so, how many and are any of these connected to weighing devices?**

The Health Board has 90 Welch Allyn SPOT and Connex Vital Signs Monitors in use but none of these are connected to weighing devices.

- **How many incidents have you reported in the last 3 calendar years which relate to an incorrect dose of vancomycin, gentamicin and alteplase?**

The Health Board does not have any incidents of incorrect doses of vancomycin, gentamicin and alteplase.

- **How many incidents have you recorded in the last 3 calendar years where an incorrect weight of the patient is mentioned in the report?**

A total of 19 incidents have been recorded.
