

Freedom of Information Request	FOI 21-146	20 th April 2021
--------------------------------	------------	-----------------------------

The number of DNR's filed against patients in 2020 – 2021

The Health Board does not hold a register of DNR's and in order to gather this information we would have to carry out a specific exercise of reviewing patients records to establish if a DNR was completed. We have established that in order to comply with your request it would exceed the appropriate costs limit under Section 12 of the Freedom of Information Act 2000 which is currently £450. As you will be aware this is not an exemption which requires us to consider the application of the public interest test.

The number of DNR's filed against patients in 2019 - 2020

Please refer to Q1.

I am requesting this information as I wish to know how much of an increase there has been.

Please refer to Q1.
