MINIMUM RATE OF PAY FOR CATERING/CLEANING STAFF

I would be obliged if you could inform me of the current minimum rate of pay for catering and cleaning staff across Aneurin Bevan University Health Board hospitals.

The current minimum hourly rate is £9.21 for Band 1 and Band 2 staff across the health board (this incorporates all catering and domestic staff).

Would this rate of pay be across the board as per the rate of pay agreed with the Unions for such roles?

The minimum hourly rate which is aligned to our banding scale is applied consistently in line with Agenda for Change terms and conditions and is applied on an all Wales basis. Pay arrangements have been agreed in conjunction with Trades Unions.
