

Freedom of Information Request	FOI 22-163	27 th April 2022
--------------------------------	------------	-----------------------------

This is an information request relating to gender neutral toilets at the Trust.

Please include the information for each of the following periods; 2018-19, 2019-20, 2020-21, 2021-22:

The number of gender-neutral toilets installed at the Trust during this time or the number of pre-existing toilets which have been converted into gender neutral toilets. Please do not include disabled toilets in this list.

- Gender neutral WCs installed
All the ward facilities at the Grange University Hospital (new build) are shared/gender neutral/unisex
A total of 455
- Pre-existing WCs converted/upgraded
No WCs currently converted/upgraded
WCs on shared wards are gender neutral

The cost of installing these toilets or the cost of converting the pre-existing toilets

- Installing toilets (new builds)
Cost information is not available for new build projects, as this will form part of a wider cost package.
- Converting pre-existing toilets
No figures available as work is currently in the planning phase.

Copies of any complaints made to the Trust about these toilets, with any necessary redactions

The Health Board's Putting Things Right Team has searched its Complaint Reporting System (DATIX) and can find no complaints relating to gender neutral facilities.
