

Freedom of Information Request	FOI 23-149	17 th April 2023
--------------------------------	------------	-----------------------------

I am currently completing a dissertation on migration and Palliative Care.

Could you please send me the Welsh Overseas Visitors NHS Charges Policy as well as if you have any related information about Palliative Care in the possible NHS Charges?

Please find attached the Health Boards Overseas Visitors Policy.

I also wonder if you have any statistics of how many people with the NRPF immigration condition or irregular migrants may have needed Palliative Care and were charged under this policy.

The Health Board does not hold this information.
