

Freedom of Information Request	FOI 21-328	24 th August 2021
--------------------------------	------------	------------------------------

I would like to view the previous ABUHB FOI disclosures but they are not currently available (mobile site version).

<https://abuhb.nhs.wales/about-us/freedom-of-information/foi-disclosure-log/>

When clicking on the search function it simply defaults back to the same page.

Please let me know when this will be resolved or you can consider this to be a FOI Request for all FoI Responses published by ABUHB over the last 2 years.

The Health Board is aware that the Freedom of Information Disclosure Log on the website requires updating. The Health Boards response to COVID-19 meant that staff were assigned to different roles in order to ensure a positive response to the pandemic and that many administrative services were delayed; the upkeep of elements of the Health Boards website fell into this category, including our Freedom of Information Act Disclosure Log. We recognise that this data is important and plans are in place to update the disclosure log within the next 3 months.
