

Freedom of Information Request	FOI 23-336	16 August 2023
--------------------------------	------------	----------------

Your request

You requested the following:

1. In the last 5 years, how many patients that live within the boundaries of the health board have received treatment outside of the Aneurin Bevan University Health Board jurisdiction area?
2. Is data collected for where these patients are transferred to? If so, please could the locations be provided.

Our response

1. 51,842 patients
2. Please refer to the attached spreadsheet
