

Freedom of Information Request	FOI 23-357	10 <sup>th</sup> August 2023
--------------------------------	------------	------------------------------

**Please can you provide some clarification the below queries:**

**Has the authority utilised "Insourcing" with the FY 22/23?**

Yes.

**What was the insourcing spend by the authority for 22/23?**

£5,126,270.00.

**How was Insourcing procured by the authority? Was a particular framework used?**

Insourcing is procured through either Single Tender Applications (STA) or framework agreements, namely:

- Crown Commercial Service (CCS) Framework
- Shared Business Services (SBS) Framework
- Call off via the All-Wales (AW) Framework

**Outside of procurement team who is the Senior Officer responsible for Insourcing?**

The responsibility for insourcing falls under the remit of the Chief Operating Officer, who has overall responsibility for the operational planning and delivery of primary, community care, mental health, and acute services.

**For clarity, 'insourcing' is defined as: "where an NHS organisation sub-contracts medical services/procedures. It differs to locum supply in that the full end to end service is provided, not just staff."**
