

Your request

You requested the following:

I am researching on certain types of Immunoglobulin treatments. Could you please answer the below question:

In the past 3 months [latest 3 months available] how many patients have received the following Immunoglobulin treatments [for any disease]?

- Cutaquig
- Cuvitru
- Gammanorm
- Gammagard
- Hizentra
- Hyqvia
- Intratect
- Iqymune
- Kiovig
- Privigen
- Octagam
- Panzyga
- Subgam
- Any other normal immunoglobulin

Our response

Our response is provided in the table below.

Immunoglobulin Treatments	Number of Patients May 2023	Number of Patients June 2023	Number of Patients July 2023
Gamunex	1	1	1
Hyqvia	2	1	1
Intratect	0	5	2
Iqymune	1	1	1
Octagam	17	18	19
Privigen	16	19	20
