

Freedom of Information Request	FOI 23-379	18 <sup>th</sup> August 2023
--------------------------------	------------	------------------------------

### **Your request**

You requested the following:

How many patients under Neurology, Aneurin Bevan NHS Royal Gwent Hospital, have had their licences revoked for 6 months following a noted:

syncope?/seizure?

Based purely on hearsay?

All testing being negative with no medication necessity and no repeat occurrence after one month.

### **Our response**

We do not manage the revocation of driving licences and therefore do not hold the information requested.
