

## Your request

You requested the following:

1. What is your current digital maternity training platform?
2. Do you deliver face to face maternity training?
3. Does your trust use a maternity training service provider or is this delivered in house?
4. Does the trust have a dedicated Fetal Surveillance Midwife?
5. How is CTG training currently delivered?
6. How is emergency scenario training delivered?

## Our response

1. Microsoft Teams is utilised to deliver remote training.
2. Yes.
3. In-house training is provided, supported by a practice educator midwife and specialist midwifery team. In addition to this, we also use a service provider for Cardiotocography (CTG) training.
4. Yes.
5. We deliver CTG training through:
  - Mandated in-house training.
  - Twice Yearly CTG ST-analysis (STAN) study days.
  - Neoventa training.
  - Weekly CTG Multidisciplinary team (MDT) meetings.
6. We utilise Practical Obstetric Multi-Professional Training (PROMPT) for hospital and community emergencies.
