

Freedom of Information Request	FOI 23-403	29 August 2023
--------------------------------	------------	----------------

Your request

You requested the following:

1. Does your Health Board commission memory clinics/services?
If yes, please could you supply the name and addresses of who is providing this service?
2. Does your Health Board commission brain health clinics/services?
If yes, please could you supply the name and addresses of who is providing this service?

Our response

1. We do not commission any specific services for these memory or brain clinics outside of any locally provided services.
2. Please see our response to question 1.
