

Freedom of Information Request	FOI 21-482	13 th December 2021
--------------------------------	------------	--------------------------------

- 1. How many defibrillators are there in public places within the county of Torfaen?**
- 2. Under what circumstances should/would a defibrillator be used?**
- 3. Under what circumstances would a defibrillator NOT be used?**
- 4. When a patient is receiving guided CPR (via telephone with the emergency services) and where a public defibrillator is to hand, under what circumstances would the emergency services advise NOT to use the defibrillator?**

The Welsh Ambulance Services NHS Trust would be best placed to provide a response to the questions raised in your request.

I would respectfully request that you direct this request to the Welsh Ambulance Service NHS Trust, via the following email address:
