Freedom of Information Request	FOI 21-514	16 th December 2021
--------------------------------	------------	--------------------------------

I wish to receive figures for each 7-day period as follows. Weeks ending Saturday 6th, 13th, 20th and 27th of November 2021. Also, as this request may take 2 weeks to process, I would like the data for weeks ending 4th and 11th December if they are available at that point in time.

- 1 - Number of COVID unvaccinated in hospital.**
- 2 - Number of single COVID vaccinated in hospital.**
- 3 - Number of double COVID vaccinated in hospital.**
- 4 - Number of triple COVID vaccinated in hospital.**
- 5 - The figures for DEATHS FROM COVID for each category 1 to 4 above.**
- 6 - Those in each hospital having COVID negative PCR tests on arrival.**
- 7 - Those in each hospital having COVID positive PCR tests result on arrival.**
- 8 - Bed usage, showing % COVID patients and % all other categories.**

Note: Clarification - I would like to know how many patients are actually taking up a bed because they arrived in the hospital with COVID, comparing this as a percentage, to the number taking up a bed for all other categories.

The information requested has been provided as Attachment One. Please note, the figures provided are from the (official) ONS data based on the ONS causes of death being 'COVID Underlying' or 'COVID Other Cause'.

The Health Board has sought to respond to your request in full; however, due to the small numbers involved in some instances, we are unable to provide actual numbers in relation to the specific numbers of patients as the potential risk of identifying patients becomes significant. Please note that where the numbers are fewer than 5 this has been provided as <5 individuals. We are withholding the detail under Section 40(2) of the Freedom of Information Act 2000. This information is protected by the Data Protection Act 1998, as its disclosure would constitute unfair and unlawful processing and would be contrary to the principles and Schedules 2 and 3 of the Act. This exemption is absolute and therefore there is no requirement to apply the public interest test.
