

Freedom of Information Request	FOI 21-526	10 th December 2021
--------------------------------	------------	--------------------------------

I would like information regarding yellow card, on how many people were admitted to all Aneurin Bevan Health Board hospitals that had adverse side effects or deaths that had the vaccines or booster jabs. Also the number of patients which didn't have the Vaccines.

Healthcare professionals should report any suspected reactions directly on the following link [Official MHRA side effect and adverse incident reporting site for coronavirus treatments and vaccines | Coronavirus \(COVID-19\)](#)

There is no requirement to hold or collect this data at a local level. As part of the data entry there is an optional data field to enter hospital address, therefore you may be able to request this information from the Medicines and Healthcare products Regulatory Agency (MHRA).
