

Measures in Place -Grange Hospital

1. To ask the total amount spent on Agency/Bank Nurses during the last 12 months by the Aneurin Bevan Health Board

Please find below the total amount spent for Registered Nurses at the Grange University Hospital (GUH) for the period 1st November 2021 - 31st October 2022.

	Agency Nurses £	Bank Nurses £	Total £
Registered Nurses	10,547,556.98	10,085,074.53	20,632,631.51

2. and the number employed

The Health Board have a total of 2397 staff at the GUH of which 1249.47 are FTE (full-time equivalent).

Of the 2397 staff, 2088 have a bank assignment but only 974 of these can work shifts at GUH.

3. and if the Senedd has recognised this and provided additional funding.

The Health Board has not received any funding specifically identified funding from Welsh Government for bank and agency staff. However, some of the COVID-19 funding allocated has been directed to this area of spend especially in regard to enhanced care.
