

## Your request

You requested the following:

1. Could I please request a re-run of a previous Freedom of Information request ref. **23-327** for June 2023 until the latest available month. I would like the response to include the same fields and be either in csv or Excel format.

The Freedom of Information request with reference 23-327 requested the following:

I would like to request an extract of the hospital medicines usage data held by Aneurin Bevan Health Board, detailing the volume of drugs dispensed by hospital pharmacies and homecare, at an individual product level. Please note that this request is for aggregated medicines usage data, and explicitly does not require any patient-level or patient-identifiable data.

I would like to request for the month of April 2023 and any other later months you have available.

I would like the response as a csv or xlsx file and including the following fields:

HB,  
issue\_date,  
location,  
location\_code,  
lnkdid,  
drugfull,  
drug\_packsize,  
quantity\_container,  
quantity\_doseunits,
