

Freedom of Information Request	FOI 23-586	8 th December 2023
--------------------------------	------------	-------------------------------

Your request

You requested the following:

I would very much like to reference the waiting list time estimates for ADHD diagnoses from your health board.

Our response

We are unable to provide the current waiting time for how long a patient will wait to reach a diagnosis as it is not recorded centrally. To comply with your request, we would need to review every patient record and we have established would take in excess of 18 hours to undertake and therefore exceeds the appropriate costs limit under Section 12 of the Freedom of Information Act 2000, which is currently £450. This is not an exemption which requires us to consider the application of the public interest test.
