Our response

We are not able to provide information on exact expenditure on the production of posters as it is not recorded centrally. To comply with your request, we would need to review every individual invoice categorised as 'Printing and Publishing Services' over four years which we have established would take in excess of 18 hours to undertake and therefore exceeds the appropriate costs limit under Section 12 of the Freedom of Information Act 2000, which is currently £450. This is not an exemption which requires us to consider the application of the public interest test.
