

Freedom of Information Request	FOI 21-050	16 th February 2021
--------------------------------	------------	--------------------------------

How many patients have failed to attend a scheduled Covid-19 vaccination appointment with an Aneurin Bevan Health Board provider after booking one since December 2, 2020?

The Health Board does not hold this data but it is currently under review.

How many patients invited to book a Covid-19 vaccination appointment by an Aneurin Bevan Health Board provider have refused the opportunity to do so since December 2, 2020?

The Health Board does not collect this data.

How many patients had scheduled Covid-19 vaccination appointments with an Aneurin Bevan Health Board provider cancelled by a provider after booking appointments since December 2, 2020? How many of these cancelled appointments were rescheduled? Please provide a breakdown of the figures by reason(s) for cancellation.

The Health Board is unable to distinguish between appointments which are cancelled by the hospital and cancelled by the patient. It is also unable to breakdown cancellations down by reason.
