

Freedom of Information Request	FOI 21-053	23 rd February 2021
--------------------------------	------------	--------------------------------

Please could you provide the total number of deaths within hospitals for our local health board for 2020 compared to the previous five years please.

2015	2016	2017	2018	2019	2020
2,813	2,935	2,956	2,876	2,916	3,041

Note: The figures include all deaths, regardless of cause (including deaths in any of our mental health sites).
