

Freedom of Information Request	FOI 21-065	26 th February 2021
--------------------------------	------------	--------------------------------

**Grateful if you could pass this on to your contact in Public Health Wales.
Highest Level of coronavirus reference to article in today's Western Mail**

**1 Most interested how these figures are calculated from Blackwood
North, Argoed and Markham**

**2 These are separate communities and do you have the breakdown by
post code please for each**

**3 What measures are used because some members of the public visit
test centres at Ebbw Vale, Pontllanfraith, Caerphilly, Tredegar and
Newport I am told,**

**4 Are these the current figures on the map in the media please or is
there a 3/7 day delay please**

All data is provided by Public Health Wales and is published on its website
<https://public.tableau.com/profile/public.health.wales.health.protection#!/vizhome/RapidCOVID-19virology-Public/Headlinesummary>

You will need to contact PHW via this link <https://phw.nhs.wales/use-of-site/contact-us/freedom-of-information/> in order for it to provide the response to your queries.
