Could you please tell me the figure of deaths directly from covid-19 and not “with” or the 28/60 days

The Health Board reports every death in our hospitals to Public Health Wales (PHW), this includes all causation factors. Public Health Wales will then perform statistical alignment meeting the definition of a COVID death and the patient place of residence as some of the Health Board area residents may die in other hospitals outside of the Aneurin Bevan Health Board responsibility. All Health Board deaths data is reported on the Public Health Wales website and in the Office of National Statistics (ONS) data.

Please refer to PHW website and PHW for further information via the following link below:
