

Can you please provide me with the answers to the following questions from the point of this enquiry being made :

- 1) What is the average response time for ambulances reaching 'red calls' at the Aneurin Bevan University Health Board?**
- 2) What is the target at the Aneurin Bevan University Health Board ambulances for reaching 'red calls'?**

The Health Board does not hold this information. We would advise that you submit your request to [Welsh Ambulance Services NHS Trust](#).
