## Your request

### Could you please provide:

- **The median time period for the delay experienced by patients** ready for discharge each month from April 2023 to December 2023 or latest month available, with the delay defined as a patient occupying an NHS hospital bed, who is 'clinically optimised' ready to return home or move on to the next stage of care, who experienced a delay in their transfer of more than 48 hours beyond the point they were clinically optimised.
- **The longest time period** for a delay experienced by a patient ready for discharge, each month from April 2023 to December 2023 or latest month available.
- If available, **the reason for the delay** experienced by the patient with the longest delayed discharge.

## Our response

We have conducted a search of our records and have established that we do not hold information relating to your request.

The information requested is routinely published by Welsh Government for all Health Boards in Wales. The dashboard, which can be viewed using the link below, provides the number of patients delayed, the reason for the delay and the length of the delay.
