Your request

You requested the following:

Please advise me on the wait times for Laparoscopic Cholecystectomy surgery in the area.

If you cannot provide specifics a rough range or worst case general estimate is acceptable.

I would like to know the wait times from consultation/decision has been made that the surgery is required, to the date of the procedure

Our Response

I can confirm that the Health Board has completed a search of its records and has established that it does hold information in relation to your request.

Our response is provided within the table below.

Laparoscopic Cholecystectomy surgery	Day Case Urgent	Day Case Routine	Inpatient Urgent	Inpatient Routine
Average wait in weeks as at 1 February 2024	17	58	32	115

Note that 'Day Case' means that the patient is not expected to remain in hospital overnight after the procedure. 'Inpatient' means that the patient is expected to remain in hospital overnight after the procedure.
