Your request

You requested the following:

1. Please tell me the number of clinicians you have working at the Health Board who specialise in tic disorders.
 - The clinicians must have specialised practice in the three tic disorders set out in the DSM-5-TR: Tourette's Syndrome, persistent motor or vocal tics and provisional tic disorder.
 - I am aware the clinicians may diagnose and treat patients in a variety of sub-speciality roles including, but not limited to, neurology, neuropsychiatry etc. **Please include all specialists regardless of the sub-speciality in which they practice.**
2. Please tell me the clinician(s) start date of employment at the Health Board.
3. If there are currently no specialists working at the Health Board, please tell me how many you have had working at the Health Board in the past during the following years: 2018, 2019, 2020, 2021 and 2022.

Our response

We have conducted a search of our records and have established that we do hold information relating to your request, as set out below.

1. We do not employ any clinicians who core role is to provide specialist services for tic disorders.
2. Not applicable.
3. We have not employed any clinicians who core role is to provide specialist services for tic disorders from 2018 to the present day.
