I write regarding hospital acquired infections during the COVID-19 pandemic and would be grateful if you could provide me with the following information:

1. The number of hospital acquired COVID-19 infections broken down by hospital since March 2020;

2. The number of patients who died as a result of hospital-acquired infections since March 2020, broken down by hospital

Provided below is a link to the Public Health Wales (PHW) site where you will be able to access further information on the cause of death by location:
