

The number of nursing staff (registered, associate and health care assistants) employed directly by ABUHB, specifically from the time of the Grange Hospitals opening and throughout the first 3 weeks of its service delivery.

Please find below the number of nursing staff employed directly by ABUHB on 8 December 2020. Please note Ward A1 includes Medical Assessment Unit and Emergency Department and Ward B4 includes Stroke/Haematology and Respiratory specialties.

Department	FTE Staff In Post
Ward A1	273.44
Ward B4	43.92

My secondary request relates to the number of nursing staff who should be considered 'temporary, agency, or bank staff' (nursing) that were used by ABUHB during the same period.

Please find below the number of temporary nursing staff used by ABUHB on 8 December 2020.

Bank and Agency Usage	FTE
Ward A1	39.98
Ward B4	5.70

Of particular note, I require this information for wards A1 and B4.
