

Freedom of Information Request	FOI 22-043	25 th January 2022
--------------------------------	------------	-------------------------------

Following the publication of the NICE Pathway 'Major haemorrhaging in hospital' in May 2021, I am writing to enquire if Aneurin Bevan University Health Board has protocols in place for the management of major haemorrhage, the rapid identification of patients taking anticoagulants and the reversal of anticoagulation agents. If such protocols are available, please could I request a copy.

Please find attached a copy of the Health Board's Management of Major Haemorrhage Protocol.
