

Freedom of Information Request	FOI 22-314	29 th July 2022
--------------------------------	------------	----------------------------

- 1. What did the Trust spend on non-medical non-clinical (NMNC) agency workers during the period between 1st April 2021 and 31st March 2022 (please include all cost elements that fall within scope of NHS Improvement and NHS England Agency Rules, June 2019, defined as "Price")?**

Total agency spend on Non-Medical Non-Clinical	8,766,513.05
--	--------------

Please note this includes Admin & Clerical and Estates & Ancillary Staff

- 2. What proportion of this spend was on agency workers in Estates (i.e. managing and maintaining NHS properties, buildings, grounds, repairs and maintenance, renovations etc.), and please indicate what proportion of this spend is Band 5 and above, and what proportion is Band 4 and below.**

	%
Percentage of Non-Medical Non-Clinical agency spend on Estates	2.16

Please note the Health Board is unable to identify the agency spend to band level.

Where agency staff are categorised into subdivisions outside of "Estates", for example "Facilities", please also include any spend pertaining to workers broadly classed under the general term "Facilities Management", for example gardening, environmental etc.. Please exclude Porters, Cleaners, Catering, Security, Car Parking, Reception, Switchboard, Helpdesk, IT, Medical Engineering, Corporate Functions, Legal and all Admin & Clerical when answering this section. Please feel free to further break down by specific job role if information is readily available.

- 3. Does the Trust access NMNC agency workers via a Managed Service Provider or are agencies engaged directly, for example via an approved PSL or a Framework?**

Agencies are engaged with directly via a Framework.

- 4. If a Managed Service is in place for NMNC, please disclose the name of the Managed Service business and indicate whether they operate the solution as a Master Vendor (i.e. they themselves are an agency, both supplying agency workers directly from their own candidate pool and managing the agency supply chain), or a Neutral**

Vendor (i.e. removed from the supply chain, providing demand management services but not direct fill).

Not applicable

- 5. When does the incumbent managed service contract for NMNC expire?**

Not applicable

- 6. Does the Trust foresee any planned procurement exercise in the next 12 months to appoint a managed service provider for NMNC agency management?**

There are no plans to undertake a procurement exercise to appoint a managed service provider at the current time.

- 7. Does the Trust utilise any software to manage NMNC agency bookings, if so please disclose which platform is utilised and the contract start and expiry dates (MM/YY)**

No.

- 8. Does the Trust operate a wholly owned subsidiary providing Facilities Management services to the Trust's estates? If so, please answer questions 1-7 for both the Trust itself, and the wholly owned subsidiary, indicating where applicable the numbers (spend, dates etc.) associated with each.**

No.
