**We have attached a pre-filled template with information previously received as highlighted in green (Previous FOI Reference (FOI 21-140)) for 2020 from Aneurin Bevan University HB, and we are writing to you under the Freedom of Information Act 2000 to request if you could provide information for the missing cells in the attached template regarding your health visiting teams for Aneurin Bevan, on the 1st of February 2016, 2017, 2018, 2019, 2020, 2021 and 2022 based on the following questions:**

- 1. How many FTE health visitors were employed in your health visiting teams? (Both with and without caseload). *Please provide this information for the missing pay-bands left in the template as blank and highlighted in yellow.***
- 2. How many FTE clinical staff (who are NOT coded as health visitors) were employed in your health visiting teams? (Both with and without caseload). *Please provide this information for the missing pay-bands left in the template as blank and highlighted in yellow.***
- 3. How many FTE health visitors only with caseload were employed in your health visiting teams? *Please provide this information for the missing pay-bands left in the template as blank and highlighted in yellow.***
- 4. How many FTE clinical staff (who are NOT coded as health visitors) only with caseload were employed in your health visiting teams? *Please provide this information for the missing pay-bands left in the template as blank and highlighted in yellow.***
- 5. What was the total number of children under 5 years of age that your health visiting teams were responsible for?**  
Please find attached the completed template as requested.

**(Please note, we do realize we have included 2020 again despite having received information previously; however, we have included it as we missed asking for certain pay-bands in our previous request).**

**In case a certain pay-band has zero FTE (i.e., no staff under that pay-band), we ask if you could please input zero ("0") in the template, and only leave it blank if data is unavailable/missing.**

**Regarding the questions above:**

**- For your answers, please either use the NHS Digital definition of health visitor noted in the spreadsheet or alternatively provide the definition that you are using in your answer.**
