

Freedom of Information Request	FOI 22-331	10 th August 2022
--------------------------------	------------	------------------------------

I wonder if you would be able to provide the following information at your earliest convenience.

- 1. (a) How many referrals have been made from your healthboard area to another healthboard area for patients to access a surgical abortion?**

None via the Health Board.

- (b) To which healthboard(s) are patients referred to access a surgical abortion?**

Please refer to Question 1(a).

- (c) If any healthboard(s) to which patients are referred is in England, how many patients have been referred to an English healthboard to access a surgical abortion in the last 6 months?**

Please refer to Question 1(a).

- 2. How many clinics are there in your healthboard which provide an abortion through the RU486 method?**

One.

- 3. What is the average waiting period between a referral being made to access a medical abortion and that healthcare being provided?**

3-days
