Q2. In the last 3 months, how many patients has your trust treated for Immune thrombocytopenia (ICD10 code D69.3)?

65 approximately.

Q3. In the last 3 months, how many patients has your trust treated for Immune thrombocytopenia (ICD10 code D69.3) ONLY with the following treatments:

- **Avatrombopag**
- **Mycophenolate mofetil**
- **Rituximab**
- **Surgery (splenectomy)**

Please refer to Q1.

Q4. Does your trust participate in any clinical trials for the treatment of Immune thrombocytopenia? If so, can you please provide the name of each trial and the number of patients taking part.

The Health Board is running an ITP registry. We have 107 recruits in total across all sites, with 53 in active follow-up. Please note that this is not a study that provides treatment but one that collects data.
