

Freedom of Information Request	FOI 22-346	18 <sup>th</sup> August 2022
--------------------------------	------------	------------------------------

**Regarding provisions at Brynmawr Medical Centre.**

**Please can I seek information on how well the practise is staffed given we hear complaints about difficulty getting an appointment, how many staff are permanent or temporary?**

Please find below details of staff presently at Brynmawr Medical Centre:

Salaried GPs: 1

Locum GPs: the Health Board are currently reliant on locum GPs to provide appointments for patients and aim to have a total of 5 GPs at the Practice each day.

Advanced Nurse Practitioner: 1 full-time post

Nurse Practitioner: 1 full-time and 1 part-time post (1 currently on maternity leave)

Practice Nurses: 2 full-time posts. Also currently recruiting for an additional nurse post

Mental Health Practitioner: 1 full-time post

Psychological Wellbeing Practitioner: 1 part-time post

Health Care Support Workers: 3 part-time posts

Physiotherapist: 1 part-time post

**And in conjunction with this, what does the latest data say about patient access to services, has there been any patient surveys in the last year and what are the result?**

The Practice are in the process of undertaking patient surveys which will be available during October 2022, a summary of which can be provided if required once complete.
