Tuesday, 9th January 2024

Thank you for your request to Aneurin Bevan University Health Board for information under the Freedom of Information Act (2000) received on Wednesday, 3rd January 2024.

Your request

You requested the following:

Please can I request the number of deaths from 1st January 2023 – 31st December 2023 (inclusive) in each of the following housing situations:

- people identified as rough sleeping or with a history of rough sleeping
- rough sleeping or with no fixed abode

Where you have access to any of the following information, please include the cause of death or suspected cause of death, date of death, the person's gender, the person's age when they died, their ethnicity, and their immigration status. If you cannot provide any of this additional information, then please just provide the number of deaths.

Our response

We have conducted a search of our records and have concluded that we are unable to provide a response for this request as we do not hold this information centrally. This means that we would need to search individual patient records to obtain this information. We have established that it would take in excess of 18 hours to access this information and therefore exceeds the appropriate costs limit under Section 12 of the Freedom of Information Act 2000, which is currently £450. This is not an exemption which requires us to consider the application of the public interest test.
