

Please include the following information for the 2020/21, 2021/22 and 2022/23 financial years:

- **How much has the organisation spent (broken down by financial year) on providing treatment to foreign patients supplying an EHIC card.**

The following costs were identified for treating patients presenting with a European Health Insurance Card (EHIC).

Financial Year	Cost
2020-21	£4,750
2021-22	£13,954
2022-23	£17,475

- **How much has been recovered (broken down by financial year) from the relevant health authorities for treatment provided through EHIC.**

The Health Board have a recurrent allocation of approximately £96k (2020/21 figure, uplifted approximately 2% per annum) from Welsh Government for the treatment of patients from the European Economic Area (EEA), Switzerland and countries who have a reciprocal agreement with the UK Government for patients to receive urgent and immediate care without charges being incurred.

In addition to this allocation, the Health Board also recovers an 'EHIC Incentive Payment' which was worth the following amounts in the last 3 financial years.

Financial Year	Recovered
2020-21	£5,226
2021-22	£2,531
2022-23	£2,619
