

Freedom of Information Request	FOI 21-208	10 th June 2021
--------------------------------	------------	----------------------------

1. How do you obtain blood collection tubes for liquid biopsies on cancer patients?

Biopsies are not routinely collected in tubes. The majority of blood sample containers used by the Health Board are procured via the All Wales contract. Please find a link to the relevant site for contact details:

<https://nwssp.nhs.wales/ourservices/procurement-services/>

2. From what suppliers do you obtain these products?

Please refer to question 1.

3. Were these products purchased through a tender or framework? If so, which one? Please provide details including the name, reference and where this was published.

Please refer to question 1.

4. Are you under contract with your current supplier(s) for the above? If so, what is the start and end date of the contract?

Please refer to question 1.

5. Can you provide the name and contact details for the person(s) responsible for procuring these products?

Please refer to question 1.

5. Can you provide contact details for the department responsible for managing this service?

Please refer to question 1.
