

Freedom of Information Request	FOI 21-236	23 rd June 2021
--------------------------------	------------	----------------------------

Would it be possible to get information on the total number of items and quantities prescribed/dispensed in Wales (ABUHB) for alprazolam/Xanax broken down by tablet strength (250mcg/500mcg), year (calendar or financial), and whether primary, secondary or tertiary care, for the period since 2000, please?

Please find below the information requested for Aneurin Bevan University Health Board:

Year	ALPRAZOLAM TABLET 250micrograms	ALPRAZOLAM TABLET 250micrograms
	1 TABLET	1 X 60 TABLETS
