**I would like to request to following information:**

**Do you have a Histopathology Labs that run Immunohistochemistry diagnostic testing and if so what site/sites they are located?**

The Histopathology service within Pathology run a range of ICC diagnostic assays. These are located on the Royal Gwent Hospital site.

**If possible, could you provide a contact email for the relevant person in charge of the Histopathology Lab? For example, a service manager or lead Biomedical scientist in Immunohistochemistry/ Histopathology/ Histology.**
