

Freedom of Information Request	FOI 22-262	30 th June 2022
--------------------------------	------------	----------------------------

1. Do you have a post at your organisation that is entitled or encompasses roles associated with a Data Protection Officer?

The Health Board does have a job role that encompasses the role of a Data Protection Officer. However, the job description has recently been reviewed and is currently going through the job matching process. Once the process is completed we will provide you with the relevant information.

2. If yes, please could you provide a current job description for that role.

Please refer to Q1.

3. If you are an NHS organisation, please could you also provide the detailed 'Agenda for Change' evaluation match analysis that supports the job description.

Please refer to Q1.
