

Freedom of Information Request	FOI 23-259	12 th June 2023
--------------------------------	------------	----------------------------

Do you know where I may find information of available NHS dentists in Caerphilly, or elsewhere within the healthboard area, please?

Please find a link to the [Health Boards website](#) where there is a section on NHS General Dental Services.

Patients can also put in their postcode to find their nearest practice.
